

VETERAN AT THE SHOW
Rollo Heikes Teaches Young Idea How to Shoot.
BOYS' BANDS HAVE A BIG DAY
P. D. Frazer Wins Fly Casting Contest with a Throw of Eighty-one Feet.

An interesting feature of the trap shooting at the Sportsmen's Show at Madison Square Garden yesterday was the exhibition of one of the oldest and probably best trap shooters in the East in the person of Rollo Heikes. He has been in the game for nearly two score years. He lives in Dayton, Ohio, and has won the three-day and ten mark in years. In spite of this, however, he had made the remarkable score of 9 out of 10 targets. At one time some of the records he established have never been beaten.

As the competition for the elimination in the amateur championships draws to a close the position of the leaders shows little alteration. A new member was added in the person of Stephen M. Van Allen, of Jamaica, who broke the necessary 45 targets on the first try, and thus was eligible to compete in the finals. The following are the other leaders: R. L. Spotts, N. Herick, E. C. Jensen, Mount Kisco; P. E. Barker, W. Somerville, Massachusetts; Mike Harvey, Norwich; W. Simonson, Minnesota; S. B. Adams, Portland, Me.; P. von Boehman, Rockaway Beach; C. de Quillfeldt, Amityville, and W. Ewing, Montreal, Canada, 45 targets each.

Boy musicians had a lot of the glory yesterday. The stars of the juvenile musicians were the boys from the New York Cathedral, directed by Westchester, N. Y. They were led by Michael Lyon, who is the leader of the band of Squadron A, N. G. N. Y. None of the boys is more than fifteen years old. When the United States warships went around the world a band of twenty-eight of these boys went with them, and one of the boys' series last fall. The band of deaf and dumb boys from the New York Institute for the Deaf and Dumb also played.

The anglers' tournament began with a contest for distance fly casting. The contestants used four ounce rods, and only those who had never cast sixty feet in a tournament were eligible. This event was won by Perry D. Frazer, with a cast of 81 feet. G. P. Cutler, with a cast of 67 feet, was second, and M. C. Fowles, with a cast of 67 feet, was third. The judges were A. J. Marsh and H. S. Smith, and E. J. Mills was referee.

The next event was under similar conditions, save that it was open to all except those who had cast over 75 feet. W. Villch, with a cast of 71 feet, was the winner; J. Doughty, with a cast of 69 feet, was second, and David T. Abernethy, with a cast of 66 feet, was third. The judges were A. J. Marsh and E. J. Mills, and Justin H. McCuskey was referee.

Visitors to the Sportsmen's Show at Madison Square Garden yesterday included Archibald C. Hurd, of White River Junction, Vt. Mr. Hurd has acquired an international reputation through origination and organization of corn raising contests, social entertainments and sports designed to keep the boys from leaving "the old man and the farm."

The "Bones" Gun Club. This year he is consulting David T. Abernethy about organizing an anglers' casting tournament, and is interviewing Irving G. McCall, chairman of the executive committee of the "Bones" Camp exhibit, about how to run an "ideal boys' camp" in the upper Connecticut River in the Green Mountains.

BOWLEERS READY FOR GUN
Army of Players Entered in National Tournament.

The starting gun in the big bowling tournament will be fired to-night in the Auditorium at Patterson, N. J., when the sixth annual fixture of the National Bowling Association will begin three weeks of competition, in which nearly three thousand bowlers from all parts of the country will take part. Close to five hundred individuals, of which sixty-one are in teams of five men each, have entered from greater New York.

John D. Prince, president of the New Jersey State Bowling and Acting Governor in the absence of Governor Woodrow Wilson; Thomas F. McCarra, Speaker of the Assembly; Dr. Andrew F. McBride, Mayor of Patterson, and William Kirk, of Wilmington, Del., president of the National Bowling Association, will formally open the tournament with brief addresses of welcome. Twelve men of prominence in the State of New Jersey and officials of the National Bowling Association will take part in the time honored ceremony of rolling the first balls down the fourteen brand new alleys, specially laid for the tournament.

CORNELL FENCERS WIN
Double Columbia's Score in Dual Meet with Foils.

Cornell defeated Columbia in a well-contested dual fencing meet in the gymnasium last night by a score of 6 to 3. The bouts were all close and hard fought and two of them required extra periods before the decision was announced. In one of these J. H. Northrup, the Columbia captain, and F. B. O'Connor, of Cornell, drew three times, before the Ithaca man was finally adjudged the winner.

O'Connor won all his bouts for Cornell, while M. L. Hamilton, of Columbia, lost all three of his bouts. Northrup won two bouts and A. N. Clough won one for Columbia. Although defeated in every round by a score of 2 to 1, the Columbia fencers were not outclassed, and put up a strong fight.

The summaries follow:

First round—J. H. Northrup, Columbia, defeated R. L. James, Cornell; F. B. O'Connor, Cornell, defeated M. L. Hamilton, Columbia; J. H. Northrup, Cornell, defeated N. Clough, Columbia.

Second round—R. L. James, Cornell, defeated M. L. Hamilton, Columbia; F. B. O'Connor, Cornell, defeated A. N. Clough, Columbia; J. H. Northrup, Cornell, defeated H. W. Sherr, Cornell.

Third round—A. N. Clough, Columbia, defeated R. L. James, Cornell; F. B. O'Connor, Cornell, defeated J. H. Northrup, Columbia; J. H. Northrup, Cornell, defeated M. L. Hamilton, Columbia.

WOMEN SIT ON BURGLAR
One on Head and One on Stomach 'Smother Cries for Mercy.'

Thomas Mason, who says he comes from Boston, believes now that "the female" of the species is more deadly than the male. To-day he is a prisoner in the Tenderloin station, charged with burglary upon the premises at No. 262 Seventh avenue, a house occupied largely by women.

According to Mason's own story, he entered the building about 5 o'clock yesterday evening, ascended to the fourth floor and entered the apartments of Mrs. Eske Brothman, whose husband keeps a clothing store a few doors down the avenue.

Half an hour later Mrs. Brothman returned, opened the front door and caught a glimpse of Mason, who was sitting on the floor. She screamed and started to run for the door. He found his way blocked by half a dozen women who had been crying from other floors by Mrs. Brothman's cry for help.

Mason turned and headed for the front door, only to be met again by angry women, all screaming and threatening. He tried to take his chances on the fire escape, but just as he started for this escape of refuge he was yanked back. In haven of refuge found himself lying on the floor, with women hitting and kicking him. Finally two of them sat on his head and stomach, cutting off his appeals for mercy.

At this point Mrs. Brothman's husband and son came running in and completed the capture. They held Mason until Detectives Dennison and Boyle arrived and took him to the station house.

EMBEZZLER OF FUND CONVICTED
Benjamin W. Nichols, formerly treasurer of Minkler Progressive Young Men's and Ladies' Association, an organization which devoted its assessments to the payment of its members' marriage and christening fees of its members, was convicted of grand larceny yesterday before Justice of the Peace.

Nichols, 35, was charged with appropriating to his own use \$250 belonging to the organization. He said he had been held up by footpads and robbed. He will be sentenced on March 15.

HEALTH BOARD SPLIT OPEN
Inspector Reinstated Over Lederle's Protest Not Back at Work.

QUESTION ABOUT LEGALITY
Bureau of Municipal Research Says Civil Service Law Must Be Complied With.

The split in the Board of Health has not been cemented yet. Although Dr. Joseph J. O'Connell, Health Officer of the Port, and Police Commissioner Waldo voted on Tuesday to reinstate a medical inspector who had been dismissed on charges nearly a year ago, it was learned yesterday that Health Commissioner Lederle had put back to work the man reinstated over his protest, but had instead referred the matter to the Municipal Civil Service Commission to decide. Persons in a position to know looked on Commissioner Lederle's action as meeting with the approval of the Mayor and as a direct outcome of his conference with the Mayor the day after the trouble in the board.

The directors of the Bureau of Municipal Research said in their letter to Commissioner Lederle that the name of Dr. O'Connell, the dismissed medical inspector, appeared on the disqualified list of the Municipal Civil Service Commission. Under Rule 7, subdivision 14 of its rules, it is pointed out, the commission may refuse to re-examine and certify him for appointment. Without such re-examination and certification he cannot be appointed as a medical inspector.

Dr. O'Connell was asked last night what action would be taken in view of the present turn of the case. He said it "was up to the Municipal Civil Service Commission." So far as the Bureau of Municipal Research was concerned, he said, he did not know the directors of it were Civil Service Commissioners.

"I voted to reinstate Dr. O'Connell," said the Health Officer, "because I thought he had been done an injustice. I heard of his case six months before any action was taken, but I determined if I ever could to rectify it. My vote last Tuesday shows my position in the matter plainly."

When reminded that at the time Dr. O'Connell was dismissed two other medical inspectors were also dismissed, he said: "I don't know anything about their cases. If there was injustice done and it was brought to my attention I would do as I did in the other case."

Dr. O'Connell said he did not know anything about a plan on his part and that of Commissioner Waldo to go into the Board of Health and run things. "I want to see things run right, that's all," said the Health Officer.

Among other statements made by the directors of the Bureau of Municipal Research in the letter to the Health Commissioner are the following:

There is no express provision in the charter or elsewhere conferring power upon the Board of Health to reinstate as a member of the department one who has been legally dismissed. No such power is to be implied. The fact that Charter Section 154a covers upon the heads of the Police and Fire Departments the power to reinstate in certain cases and under certain conditions is recognition of the fact that the power to reinstate does not exist in the absence of statute.

No objection is made as to the legality of Dr. O'Connell's dismissal. It is only charged, then, being no longer a member of the Department of Health and no longer within the jurisdiction of the Board of Health, that he should be reinstated by the Board of Health. No court would allow legal disabilities to be perpetuated by every change of administration without the necessity of the applicant complying with the provision of the Civil Service Law. The Board of Health is charged with the duty of the city upon the authority of this alleged reinstatement a taxpayer would be liable to restrain payment of his salary.
